SPONSORSHIP OPPORTUNITIES

We can't wait to gather and celebrate together in our newly renovated theater. This year more than ever, we need your support to make this important event happen. Our doors have been closed for almost a year and a half, and we need this Gala to be a great success for us to survive. So please help drive economic development through the arts and keep the Rosendale Theatre alive! Let the community know that you support and love The Rosendale Theatre!
